Hebrews: 11:32-40

Our author in Hebrews seems to be faced with the same dilemma *every* preacher faces; we just need a little more time! Up to this point, he has outlined four duties of every Christian: *hold fast your confession, help each other live the Christian life, participate in weekly worship, and persevere because Christ is coming back.* We might ask the author, ‘How are we to practice those duties?’ *His answer is chapter 11, by faith!*

Main Idea: *Faith conquers our fears; renew your confidence in God who keeps His promises.*

There are two types of people in these verses who get an honorable mention:

11:32-35a Imperfect People Given Faith to Conquer

These people, with diverse personalities, shared a common element of faith. Their faith was strategically offensive.

11:35b-40 Nameless People Given Faith to Suffer

These people, without a name, also shared a common element of faith. Their faith was sacrificially defensive.

Question #43: What is faith in Jesus Christ?
Answer: Faith in Jesus Christ is acknowledging the truth of everything God has revealed in His Word, trusting in Him, and also receiving and resting on Him alone for salvation as He is offered to us in the Gospel.
