Welcome New Members: Gary and Margaret Morris joined the church family Sunday, February 16. If you have joined the church since September 2019, please make plans to be at the *March 29 Fifth Sunday Meal and New Member Recognition*. I have a sweet gift for you.

Spring Forward! Although our Smart phones take care of the old adage to *spring forward*, some still need reminded to set that clock beside the bed up an hour. I love this time of the year.

Red Brick Walkway: This week I received four nice red bricks back with some special names on them. *In Memory of Lisa Arrington, In Honor of John and Joyce Margos, In Memory of Mickey Haisten* and more. Can you think of someone dear to you for whom you could purchase a red brick? What a great way to keep their names fresh on everyone's heart as they pass by the red brick walkway on Sundays and Wednesdays. To date we have collected \$14,000.00 in red brick purchases! If we filled every space in front of the Family Life Center, we could raise \$309,000.00 towards our Building Fund and be closer to debt free! I hope *everyone* will purchase a red brick!

Passover Meal, March 28, @12 noon FLC! Don't miss this church family! We are hosting Dr. Al Reichman again this year to lead us through a Passover Meal. Dr. Reichman comes from a long line of orthodox Rabbis. His first exposure to the Gospel was at the age of 8 by a invitation to VBS. Dr. Reichman was saved by Christ as a teenager. He now travels to churches all across the country sharing the Gospel through a traditional Passover Meal. You will be blessed! See you there!

Easter 2020 Invitations! Have you seen these laying around the church? They are yours to pass out to the community. These personalized invites provide a way for you to offer someone the chance to hear the Easter story. On Sunday, April 12, I'll be preaching a message of hope called *Trustworthy and True* from Revelation 22. I have also arranged for a photographer to be in the sanctuary foyer taking FREE Easter family pictures! You could make the difference in someone's life by simply asking them to attend. **Take a disc and take a risk!**

Kept by Christ,
Pastor Kelly-

Dear FBCA Family,

Fundraising has been going spectacularly well. Your generosity to our youth each week makes me thankful to have such a supportive church family. The fundraisers along with a few generous sponsorships has allowed us to raise nearly \$8,000.00. We still have more to raise in order to send our youth to camps with as little to no expense as possible on their part. But I want you to know that you have all done an amazing job and I want to encourage you to finish the remaining fundraisers strong. The Wall-O-Money is half-way completed and in only 2 of the 5 months' time. I know that we can finish it together. Our remaining two fundraisers are on Easter Sunday (Youth Dessert Auction) and Memorial Weekend Sunday (Annual Fish Fry). We look forward to serving you on these fundraisers.

In Sunday School, our group has been studying through the Letter to the Hebrews. We have been talking about how Jesus is greater than all else and they have been learning a lot of vital theology such as how Jesus is our great high priest. On Wednesday nights, our group has been studying systematic theology. Recently we discussed the theology of creation and how creation points us to God's nature. We learned about how creation shows us that God is present, powerful, creative, and good all by just looking out at what he has created for us.
